use Dr. Rogers' Liverwort and Tar, I fee, it a duty and shall without fear or delicacy give my testimony as evidence that others who may be afflicted with consumption or diseased lungs may know that this medicine is no humbug, but is worth ten thousand physicians' prescriptions for the disease for which it is recommended. Last summer I was taken with a most distress

ing cough, and about the first of July my lungs were so diseased that I bled, in a short time several quarts of blood, which reduced me so low that all my friends and even my physicians, thought I however, soon heard of the wonderful cures made my business as well as ever.

I feel very thankful to the inventor of this medicine, for if it had not been for some all-powerful as any other (that can be made at one dollar) at medicine to have raised the matter and phlegm. and healed my lungs, I should, without doubt, now have been in my grave.
